**Timothée Chalamet
in Alexander
McQueen**

Because of the sheer commitment to the outlaw motorcyclist aesthetic, Timothée Chalamet is better dressed. Alexander McQueen knocked it out of the park with this look and Timothée completes it.

Saint Laurent**

Timothée Chalamet arrived at the Oscars after-party in Los Angeles Sunday night. Timothée went for an all-leather motorcyclist look designed by Alexander McQueen. McQueen did not disappoint with this look, the commitment to the gritty moto aesthetic is the best part of this look. Head to toe, Timothée is covered in leather.

Hailey Bieber attended the Saint Laurent pre-Oscars party in Los Angeles Sunday night. Hailey on the other hand was styled in an open leather jacket with a plain white crop top underneath, finished off with high-waisted super mini black shorts and floral lace pants, designed by Saint Laurent. This edgy take on leather certainly worked in Hailey's favor.
